RE: Contamination of Radiation – Polifil® Products

To Whom It May Concern:

Committed to providing our clients with the best possible customer service, here is our response to your request for a statement about radiation contamination of Polifil® products manufactured by The Plastics Group.

The Plastics Group certifies that all Polifil® products and components used in their formulation are not exposed or contaminated with radiation during any stage of the pre-production, production or post-production process.

If you have any questions or need anything further please feel free to contact us directly at (401) 767-2700 or e-mail us at compliance@plasticsgroup.com.

Thank you for your continued interest in Polifil® products and services. We look forward to doing more business with you in the future.
